## BEECH CREEK BRANCH LINE

### Comment Form for Public Scoping Meeting February 10, 2009

Thank you for joining us tonight to learn about environmental studies for the proposed reactivation of the Beech Creek Branch Line. An important component of the environmental clearance process is to gather and consider comments from the interested public. Please complete the information below and deposit this form in one of the collection boxes marked "Comment Forms".

1. In which municipality and county is your residence located?

Snow Shoe Twp Ship / Center County

2. How did you learn about the meeting tonight?

Rails to Trails

3. Please tell us your comments about the information presented here tonight. (How well was the information presented; was it informative and understandable; were the consultants helpful in answering your questions; etc.)

They were helpful however, doing this will ruin wild life, hiking, walking, ATVs. I am 150% against this landfill. What A Dumb Idea! Resource Recovery LLC is in it for the money they could care less about our health!!! I am 200% against opening the railroad up.

4. What additional comments about the proposed rail reactivation would you like to add?

Who's wants a Dump! In there back yard!  
I Don't!
